

CHELTENHAM SECONDARY COLLEGE

APPLICATION FOR ENHANCEMENT & ENRICHMENT PROGRAM (YEAR 7) IN 2019

Applications are invited from Grade 6 students for admission to the College's Enhancement and Enrichment program for 2019.

Cheltenham Secondary College caters for high achieving students through our successful Enhancement and Enrichment Program. Students are accelerated in Maths and offered challenges and enrichment appropriate for their abilities across their other subjects. In English and Science, studies are enriched in both the breadth and depth of their studies. They will encounter problems and challenges designed to extend their thinking, develop their resilience and initiative, and involve them in research projects requiring skills and knowledge beyond the normal Year 7 Curriculum.

The program is designed to encourage students to strive for excellence and extend their learning beyond the normal Year 7 program.

Intending applicants will need to sit for a test in English, Maths and Science. In some cases an interview may be held to ascertain a student's suitability for the program.

Applicants are required to pay an administration fee of \$25 in order to take part.

Further enquiries about this program can be made to Mrs Helen Page (Assistant Principal) or Mr Gavin Ferrier, Leader of Learning Year 7, at the College.

Applications and payments for this program close on Monday, 30th April 2018. The test will take place on Tuesday, 8th May 2018, beginning at 9.00am at the College. Students should be ready to leave from about 11.30am.

The College Open Night is on Monday, 23rd April 2018.

Closing date for applications: Monday, 30th April 2018
