YEAR 7 PLACEMENT FOR 2019 OUT OF ZONE APPLICATION FOR STUDENT ENROLMENT

Cheltenham Secondary has traditionally been subject to a geographical zone whereby some parents may have assumed their child did not meet eligibility to attend. **At Cheltenham Secondary College we welcome applications for out of zone student enrolment.** For families seeking to do this it is necessary for the College to undertake enrolment procedures based upon Department of Education and Training policy and guidelines.

- Parents who live outside the Cheltenham Secondary College zone and who wish their child to be enrolled for entry to Year 7 2019 should complete this form, attach reasons, details and evidence and forward it to the Principal of Cheltenham Secondary College by **Friday, 18th May 2018.** The form completed at the Primary School should state that Cheltenham Secondary College is your 1st choice.
- Parents who live within the Cheltenham Secondary College zone **do not need to complete this form.**

Criteria for determining placement of “out-of-zone” students will be as follows:

- students with a brother or sister who has the same permanent residential address and who will be concurrently attending the school.
- students for whom the school is the nearest one to their permanent residential address;
- students seeking enrolment on specific curriculum grounds;
- all other students in order of closeness of their home to the school.
- In exceptional circumstances, students may be enrolled on compassionate grounds where there are significant family or individual circumstances.

The numbering of the criteria **DOES** indicate a priority order for the placement committee when it considers student entry, according to Department of Education & Training.
